9th June 2025

Dear Parents and Carers,

Today Mrs Field has shared the report of the Ofsted inspection which took place on 20th and 21st May 2025. The Ofsted framework changes regularly, and it is a very long time since we were last inspected in January 2014. We have been anticipating a visit for several years, so it was a great relief for the team to finally arrive!

The inspection was very thorough, and we are delighted that the inspectors judged our school to be outstanding in all areas. We are extremely proud of this achievement and are delighted with the exceptional judgements. Most importantly it is clear that the ethos of our school was recognised and that the report reflects the bold, motivational leadership and commitment of the school staff to provide *'an inspirational school where pupils flourish'*.

It was a privilege for the governors to hear the feedback from the lead inspector particularly as, at times, the superlatives used to describe our school, the provision, the staff and especially the children were overwhelming. Sadly, these could not all be included in the official report, but I am sure Mrs Field will be sharing many of these in due course!

I am sure you will join me in congratulating all involved and I would also like to thank all parents and carers for your support.

Finally, I would like to assure you that despite there being no areas identified for improvement in the report, the leadership team and governing body will continue to move the school forward and ensure the best possible provision for the children and families of our school community. We have many exciting plans ahead!

Yours sincerely

Janet Ashton
Chair of Governors
