FOREST SCHOOL

Forest School is designed to build and develop group work and co-operation skills; increase learner confidence, initiative and independence; provide a supportive learning environment to suit individual's needs; increase practical and planning skills and increase individuals appreciation and knowledge of the natural world. Forest School sessions will be conducted off site in a local woodland setting.

Would you please provide your child with old clothing, waterproof rain-mac (and leggings if possible), wellies, a small rucksack with a snack and bottle of drink. Sun cream/hats will be needed should we have Summer! PLEASE CLEARLY NAME ALL PERSONAL BELONGINGS and please note that these may come home in a muddy state, so provide a plastic bag to put muddy items in to take home!!

Your child will be introduced to the use of hand tools such as bow saws. Would you please sign and return the attached consent slip for them to use such tools. Please note that this is under strict supervision, however, should you not wish your child to use such hand tools, they will still be able to participate in Forest School but be excluded from certain activities.

FOREST SCHOOL LEADER

RE: PARTICIPATION IN FOREST SCHOOL

I give permission for …….. to participate in Forest Schools and understand that this will be conducted off site.

I understand that some sessions will involve the use of hand tools, such as saws, and indicate below my wish with regard to their use:-

Please delete one
*I give consent to the use of hand tools.

*I do not give consent to the use of hand tools.
