Parent and Carer Survey Spring 2023 – Feedback

Dear Parents and Carers,

The Governors would like to thank the parents and carers who returned the questionnaire at the end of the spring term. 17 questionnaires were returned out of a possible 61.

We are very pleased that overall, the responses are very positive. We are particularly pleased that all parents feel their child is safe at school. We are, of course, also very pleased with the positive response to Q17 regarding recommending Suckley School to other parents and carers. You may be interested to know that we have been oversubscribed for Reception in September and have waiting lists for most year groups.

The staff have noted the positive responses to the range of subjects available as they have all worked hard to develop the curriculum ensuring it is interesting and engaging for all children whilst providing opportunities to develop skills and knowledge.

You will see that all the comments made by parents and carers have been included. Parking outside the school is a clear issue and had already been identified by the staff. When bringing this to Mrs Fields's attention she was able to tell me immediately of the actions she had already taken to improve the matter. I am sure you will all have seen the signs outside school and the presence of our Community Police Support Officer. Actions the school can take on this matter are limited but I know that the staff will continue to do all they can to ensure children are delivered and picked up safely. We are of course though, dependent on all parents and carers also doing all they can as well!

Finally, all the staff and governors are aware that we don't get everything right all the time. Our plea would be to PLEASE talk to staff – they cannot put something right if they don't know there is a problem!

Thank you again for taking part in the survey. The senior leadership team and staff have noted the feedback and will discuss the results and give further responses to issues raised in due course.

Kind regards

J. E. Ashton

18. What do you think the school does well?

- The team are a fantastic unit together, the teamwork with each other to support all the children not just the one in their class. They all go above and beyond for all my children - with endless support and encouragement.
- Offering opportunities out of the classroom such as football and hockey tournaments.
- Approaches the curriculum with creativity.
- Variety of activities. Reading.
- Open and supportive.
- Makes my child feel heard and confident to try.
- Encourages the children to be the best they can.
- Supportive.
- Understands each child as an individual, allows children to express themselves, helps & supports them during challenging times.
- I feel that the entire staff make the children feel seen as individuals. I think it makes them take pride in what they do. I feel that it promotes things which I think are important in life to become good members of society. I feel that on the whole, the children feel liked and valued.
- The curriculum experiences are wide-ranging and engaging - especially enrichment opportunities like forest school, links to farming community and balancability.
- Knows the children well and cares for them in all respects.
- Provides good learning opportunities for the children, good communication when any issues arise.
- No answer unfortunately.
