Monday 21st September, 2026

Dear Parent/Carers,

Worcestershire West Inter-school Cross Country Championships – Friday 2nd October

Eagles have been invited to take part in the Cross Country Championships at Malvern Common.
The event takes place during the school morning, and we have secured a coach via Rogers of Martley. As a school, we will cover the costs of transport**.** The children will return in time for lunch.
Please give consent via School Gateway by Wednesday 30th September.

Children will be sent home on Thursday 1st October, with their PE kit. They will need to arrive at school on the 2nd wearing full PE kit and trainers. As this is an outdoor event, children **MUST** bring a warm, waterproof coat, jogging bottoms and jumper to go over their PE kit. They will also need a bag for these items to go in whilst they are running. They will also need a drink and a healthy snack for the morning.

I hope that you are able to support this sporting event.

If you have any further questions, please contact the Office.

Yours sincerely,

H Field
