This week at Suckley School

Happy Friday,

A short week this week, but it certainly didn't stop us covering a huge amount of learning here at Suckley School. From fractions to tornadoes, from diary entries to flower pressing, the children have absorbed new information and enjoyed hands-on experiences every day—something we pride ourselves on as part of our rich and engaging curriculum.

We were also delighted with how well the children responded to the Worcestershire County Council (WCC) Road Safety workshop and the Severn Trent Water sessions we organised. They listened carefully, contributed thoughtfully and showed excellent attitudes towards learning about real-life safety and environmental issues.

Following the road safety workshop, we have been asked by the WCC representative to share an important message with families. He was surprised to find that a number of the children he spoke to are not using appropriate car seats or booster seats despite being within the legal requirement. For clarity:

- Children must use a car seat until they are 12 years old or 135cm tall (whichever comes first).
- After this point, they can use an adult seat belt.
- The correct seat or booster should be suitable for the child's height/weight and used on every journey.

Please could we ask all parents and carers to check arrangements to ensure your children are travelling safely and within the legal guidelines.

Thank you for your patience during the road closure earlier in the week. We appreciate your understanding in matters out of our control. *Continued...*

Suckley School Vision

To celebrate the unique and individual needs of all of our pupils by delivering an inspiring, rich, inclusive, broad and balanced curriculum which enables children to achieve their full potential, without limits.

This week at Suckley School

I'd like to add a special mention for our Year 6 children this week. In addition to their usual curriculum, they have also been finalising the preparations for their Statutory Assessment Tests (SATS) that will taking place in school each monring next week. SATS are tests which are completed nationally by Year 6 children. The children have worked incredibly hard all year and have made excellent progress in all areas. These tests are an opportunity for the children to show what they can do but I wanted to remind them just how special they all are as individuals too with the poem and good luck card from all of the staff below:

I wish you all a happy and healthy weekend.
With kind regards,
Helen Field

Photos of The Week

To support the children's vocabulary and in order for them to keep abreast of current affairs, both locally and nationally, we have a "Let's Talk About It" assembly every Monday. Each week we have different pictures and questions to initiate conversations with, and between, the children. We would like to continue this 'talking' theme by asking you to discuss activities the children have done in school each week. Here are some photos to help prompt the conversations:

🌈 YEAR 6 – YOU'VE GOT THIS! 🌈

Believe in yourself – you are AMAZING!

📚 The SATs are here...

So Year 6, the time has finally come. The SATs are here – but don't you fear! This is what you've worked towards all year.

✏️ What do SATs show?

They show what you've learned... but not everything that makes you AMAZING!

🌈 They DON'T show...

Your kindness, creativity, bravery or all the wonderful things that make you YOU.

🌟 What matters most

Try your best and be proud. No matter your score – we will always be your biggest fans!

🎉 Nearly there!

You've worked so hard. Soon you'll be saying: Phew... the SATs are DONE!

🍎 Be ready

Sleep well, eat well and show those tests who's boss!

💛 Remember

You are WONDERFUL, BRILLIANT and FAB – and you will do amazing things!

National Year of Reading 2026

Henry's Triathlon Challenge 2026

This summer, Henry in Woodpeckers class will be taking on his first triathlon challenge at The Birmingham Kids Fun Triathlon!

On August 1st he will be swimming 50m, cycling 2km and running 1km to raise money for 2 causes that are very close to his heart, Suckley School and Birmingham Children's Hospital.

All money raised will be split 50/50 between the BCHC and the school's Transform Play project.

All donations, no matter how small, are very much appreciated.

To sponsor Henry on his epic challenge please click the link :
