This week at Suckley School

Happy Friday to all,

As we move further into the Autumn term, it has been wonderful to see the excitement and enthusiasm across the school as each class begins to immerse themselves in their new learning topics. Our classrooms have been buzzing with curiosity, creativity and imagination as the children embark on new adventures through their learning.

In Woodpeckers, pupils have already "taken off" on an interactive flight to Egypt. Eagles have been delving into the world of the Vikings, creating fact files, writing Viking poetry and investigating the Scandinavian climate to deepen their understanding of life in Viking times. Meanwhile, Robins have travelled back millions of years to the land of the dinosaurs through their class text Tyrannosaurus Drip, which will inspire them as they begin writing their own dinosaur stories. In Wrens, the children have thoroughly enjoyed the Supertato series, becoming superheroes in PE and creating their very own Supertato artworks.

It has been a pleasure to see the children so engaged in their learning and embracing new challenges with such enthusiasm. We look forward to sharing more of their fantastic work and achievements as the term continues. Thank you, as always, for your continued support. We wish you all a happy and healthy weekend. With kind regards, Mrs Helen Field
