This week at Suckley School

Happy Friday,

It has been wonderful to welcome back the sunshine this week, lifting spirits across the school! With the warmer days approaching, please can you ensure the children come to school having already had adequate sunscreen applied and with a hat and refillable water bottle (all named!) If you wish your child to apply more sunscreen at lunchtime, please ensure they have practised applying it themselves, we are able to support them but it is helpful if they have some experience!

This week, the children responded brilliantly to our Police team visit, continuing thoughtful discussions around online safety and the lasting impact of their digital footprint.

We have also been hugely impressed by the quality of artwork and written work across the school, showcasing the children's creativity and commitment to their learning.

In our 'Let's Talk About It' assembly, we reflected on kindness — ask your child about 'the apple' to hear more!

Sadly, we were unsuccessful with our recent lottery bid to support playground improvements. However, our GoFundMe page currently stands at £520 which is a great start. The first phase of our project is to replace the rubber bark chippings (recycled tyres), at a cost of £8,000. While we still have some way to go, we remain positive and determined. If you are able to recommend suppliers or organisations who may be willing to help support our cause, please do get in touch.

Our return to Forest School has been the highlight of the week, both for staff and pupils alike; learning in such a calm, natural environment offers opportunities that simply cannot be replicated in the classroom.

We look forward to the exciting opportunities that next week will bring.

With kind regards,

Helen Field

Suckley School Vision

To celebrate the unique and individual needs of all of our pupils by delivering an inspiring, rich, inclusive, broad and balanced curriculum which enables children to achieve their full potential, without limits.

'Happy, Aspirational and Ready for Life'

Photos of The Week

To support the children's vocabulary and in order for them to keep abreast of current affairs, both locally and nationally, we have a "Let's Talk About It" assembly every Monday. Each week we have different pictures and questions to initiate conversations with, and between, the children. We would like to continue this 'talking' theme by asking you to discuss activities the children have done in school each week. Here are some photos to help prompt the conversations:

Logan Walker

EAGLES CLASS

Valentina Boland

Seb Jew

Henry's Triathlon Challenge 2026

This summer, Henry in Woodpeckers class will be taking on his first triathlon challenge at The Birmingham Kids Fun Triathlon!

On August 1st he will be swimming 50m, cycling 2km and running 1km to raise money for 2 causes that are very close to his heart, Suckley School and Birmingham Children's Hospital.

All money raised will be split 50/50 between the BCHC and the school's Transform Play project.

All donations, no matter how small, are very much appreciated.

To sponsor Henry on his epic challenge please click the link :

Setting out the vision, co-production commitment and outcomes for children and young people with SEND in Worcestershire

- Our vision, co-production commitment, and outcomes were created with children, young people, families, and practitioners across Worcestershire.
- They will now become central to children's plans and shaping the design of services.
- They represent our collective ambition for a better future - and while progress has been made, we know there is more to do.
- We will evaluate how well we are listening to the voices of children, young people and their families and measure our progress against the outcomes
- We will report back openly on what's working and where we still need to improve.

Vision Statement

Our vision sets the direction for what we want to achieve for children and young people with special educational needs and disabilities.

Our vision is that every child and young person in Worcestershire is respected, included, and heard, and has the support, choices, and opportunities they need to reach their goals and live a fulfilled life.

Co-production Commitment

Our co-production commitment describes how we will work together with children, families and partners to make the vision real. We have created a set of 'we will' statements that have been co-produced by parent carers, children and young people and practitioners from health, education and the local authority.

We will communicate effectively

We will work with together

We will be person centred

We will respect, recognise and listen

We will embed co-production in our culture

For more information and resources on co-production, please visit:

[worcestershire.gov.uk/SENDcoproduction](https://www.worcestershire.gov.uk/SENDcoproduction)

Outcomes

The outcome statements show the tangible difference this approach makes to the lives of children and young people. We will measure our progress against these statements.

I feel welcome, included and part of a community where I belong

I feel safe and supported

I am listened to, understood and involved in decisions about my life

I am helped to be healthy in my mind and body

I enjoy life, have fun and I am supported to reach my full potential
