

This week at Suckley School

Happy Friday,

It has been another eclectic mix of learning and experiences at Suckley this week, and I couldn't be prouder of our children.

Eagles Class had a memorable afternoon singing on stage at Malvern St James, where they joined pupils from other schools and sang their hearts out. They were wonderful ambassadors, and several staff members from other schools took the time to praise their enthusiasm, behaviour, and engagement. It was a joy to watch them shine.

We were also honoured to welcome Bishop Nishantha from Kurunagula College in Sri Lanka to our school. After a tour and many photo opportunities, he spoke to the children about life in Sri Lanka and shared the inspiring story of how their school was built to serve local children. We are excited about the possibility of forming a link with Kurunagula College, beginning with children from both schools writing letters to one another.

Robins and Woodpeckers enjoyed a fantastic joint trip to All Things Wild, where they were able to bring their current topics to life through hands-on experiences. Staff reported exceptional behaviour throughout the day, and the children returned full of enthusiasm and new knowledge.

Eagles Class also welcomed a visitor from Japan, who shared her experiences and supported their ongoing topic work. The children were mesmerised by her stories and the activities she led, adding real depth to their understanding.

To round off the week, we had a superb performance from our 'Suckley School Rock Steady Band,' they were confident, skilled and showed just how much they enjoy the experience!

Another busy and inspiring week—well done to all our pupils and thank you to the staff who make these opportunities possible.

With kind regards, Helen Field

Photos of The Week

To support the children's vocabulary and in order for them to keep abreast of current affairs, both locally and nationally, we have a "Let's Talk About It" assembly every Monday. Each week we have different pictures and questions to initiate conversations with, and between, the children. We would like to continue this 'talking' theme by asking you to discuss activities the children have done in school each week. Here are some photos to help prompt the conversations:

Payment at our Book Fair

Please check with your school for the best way to pay for your books

- You may pay by card at the Fair via card reader machines if your school has one or by using the online payment link at www.bookfairs.scholastic.co.uk/pay and simply selecting your school from the drop down menu.
- Pre-paid gift vouchers are available in £5, £10, £15, £20 and £25. Go to www.bookfairs.scholastic.co.uk/gift-vouchers to buy vouchers for your child before the Fair.
- If you can't attend the Fair in person, your child can order books via a Wish List – please ask your school for details.

HELP EARN FREE BOOKS

Scholastic is one of the largest providers of free books to schools via our Reward scheme which helps to ensure that as many children as possible have access to books that support reading for pleasure. Every time you buy from the Book Fair, you help to make a difference by supporting literacy in your child's setting. Last year, with your help, we gave over £5.3M worth of free books to schools nationwide, which stocked school libraries and classrooms.

*Free books are subject to terms and conditions. Please contact your Book Fair Organiser or Scholastic Book Fairs for details.
All books subject to availability. Book range may vary. ⚠ Warning: Not suitable for children under 3. Small parts.

The Doodle Spring Challenge

1st – 30th of April 2026

Earn a pin badge and certificate!

Between the **1st - 30th of April**, Doodle are running two exciting wildlife-themed Spring Challenges — the DoodleMaths Challenge and the DoodleEnglish Challenge!

Both Challenges are designed to encourage a few minutes of daily Doodling, keeping your child engaged in their learning and boosting their skills. Plus, they can **earn exclusive rewards** by taking part!

How to take part

1 Create or link your account

If you haven't already, create and/or link a parent account to your child's school account. To find out how to do this, see the reverse of this flyer or visit help.doodlelearning.com and search **'how to link account'**.

2 Register for the Challenge

From the **1st of April**, visit parents.doodlelearning.com and press **Register** next to your child's name for one or both Challenges.*

The last day to register for and begin the Challenge is the **24th of April**.

3 Doodle 'little and often'

Once you've registered, encourage your child to **earn 450 stars** (or 350 if they were born after August 2018) and use **DoodleMaths and/or DoodleEnglish for 7 days*** between the **1st - 30th of April**.

*These 7 days don't need to be in a row. A day of use is defined as completing at least one exercise between 00:01 and 23:59.

4 Receive a pin badge and certificate!

Once they've reached their target, we'll send a pin badge to their school. This will arrive after the Challenge comes to an end. You can also claim a certificate for them by visiting parents.doodlelearning.com and pressing **Download certificate** before midnight on the 29th of May.

Tag us and use the hashtag **#DoodleSpringChallenge**

For more information, please visit doodlelearning.com/challenge.

Any questions? Please visit help.doodlelearning.com and press on the green circle icon to chat to our team.

How to create and/or link a parent account to your child's school account

Creating a parent account is really important (and really easy!). By doing this, you'll be able to enter the Spring Challenge and claim your child's personalised certificate by visiting parents.doodlelearning.com, our online parent hub.

How to create and/or link a parent account via the Doodle apps

- 1 Log in to any of the Doodle apps using the username and password provided by your child's school. **If you're not sure what these are, please contact your child's school rather than creating a new account for them.**
- 2 From the Learning Zone, click on the arrow icon in the top left-hand corner of the screen
- 3 Select **Settings** and press **Parent details**
- 4 If you're new to Doodle, choose **Create parent account**. If you already have a Doodle account, click on **Link existing account**.
- 5 Enter your details to link your email address to your child's account

How to create and/or link a parent account via the Parent Dashboard

- 1 Visit parents.doodlelearning.com
- 2 If you're new to Doodle, click on **Create account** and follow the instructions. After you've done this, log in to parents.doodlelearning.com. If you already have a parent account, log in to parents.doodlelearning.com.
- 3 Once you've logged in, hover over **My account** and select **Child details**
- 4 Click on **Link to my child's school account** and enter the username and password provided by your child's school. **If you're not sure what these are, please contact your child's school rather than creating a new account for them.**

Good luck, and happy Doodling!

*The Challenge available will depend on your school's Doodle subscription. If you'd like to join both Challenges but your school does not subscribe to Doodle-Maths or DoodleEnglish, a home subscription can be taken out in the subject you're not subscribed to. To receive 2 FREE weeks of a home subscription, please visit doodlelearning.com/challenge-offer.
