

This week at Suckley School

Happy Friday!

Such a fun-filled Christmassy week with a few assessments for the end of term thrown into the mix! Your children (and the staff!) have coped admirably with all of the excitement. The nativity performances were just beautiful, each child had the opportunity to perform at a level they were comfortable with and perform they did! Thank you to all who attended and for the donations towards the food and drink, which were kindly organised by the friends. We are eagerly awaiting the KS2 Carol Service next week.

Our Christmas dinner and Christmas jumper day was a great success and a chance to really celebrate. In the afternoon, the children also had a very magical surprise when Father Christmas and his elves delivered presents to each of them. Thank you to the friends for organising the gifts and making it such a special visit. I wish I could have captured the smiles on the children's faces when he walked into each room!

I'd also like to thank the friends for the contribution they made from last year's proceeds towards renovating our pond area. Huge thanks also to Tim Philpotts, who undertook the work and has created a truly impressive area for the children. We can't wait to use it in the Spring and Summer Terms for wildlife watching, pond dipping and science activities. We are eagerly waiting and watching out for what is going to choose to live in our pond! As always, I wish you all a happy and healthy weekend.

With kind regards,
Helen Field

Photos of The Week

To support the children's vocabulary and in order for them to keep abreast of current affairs, both locally and nationally, we have a "Let's Talk About It" assembly every Monday. Each week we have different pictures and questions to initiate conversations with, and between, the children. We would like to continue this 'talking' theme by asking you to discuss activities the children have done in school each week. Here are some photos to help prompt the conversations:

Dear Parents and Carers,

This Christmas, we are excited to launch our **Christmas Gifts for Maggs Campaign** in partnership with **Maggs Day Centre**, a local charity dedicated to supporting homeless and vulnerable individuals in our community.

About Maggs Day Centre:

Maggs has been serving Worcestershire for over 40 years, providing a safe and welcoming space for those experiencing homelessness. They offer essential services such as hot meals, clothing, showers, and practical support to help people rebuild their lives. Their mission is to provide dignity, hope, and a pathway to a brighter future for those in need.

As a school, we have written heartfelt **“Baubles of Hope”** messages that will decorate the Christmas tree at Maggs, sharing words of encouragement and kindness. Now, we would love to invite you to join us in spreading hope and cheer by contributing to their **Christmas Wishlist**.

Your donations—whether big or small—will make a real difference to someone less fortunate this Christmas. We are so proud of the **Suckley community** for its ongoing support and partnership with Maggs, and together, we can bring comfort and joy to those who need it most.

Please find below the **Maggs Wishlist** document, which outlines the items most needed this season. Please can all items be bought into school by **Monday 15th December**.

Thank you for your generosity and for helping us make a positive impact.
