'HAPPY, ASPIRATIONAL AND READY FOR LIFE'

This week at Suckley School

Happy Friday and Happy Half Term!

Wow! Despite it being the end of an 8 week half-term, the staff haven't stopped providing exciting learning opportunities for the children.

The week started with Eagles visiting Bewdley museum, dressed as evacuees, for inspiration for their World War II topic. Woodpeckers then experienced Diwali with a day full of Diwali activities. They wore brightly coloured clothing, sampled Indian delicacies, made decorations for their classroom and made Diva lamps from clay. Robins have been building up their knowledge of castles, ready for their trip to Goodrich after half-term, and can confidently talk about the different parts of a castle and their location. Wrens have been investigating all things pumpkin-related, based on the book 'Pumpkin Soup'. In addition, we have had very successful forest school sessions this week. In KS2, all children (53!) used tools to carve pumpkins for Halloween, toasted marshmallows on an open fire and created Mehndi patterns using mud and water for Diwali. Please encourage your children to talk through the photographs on our website and in the newsletter with you.

I would like to say a huge thank you to all of the staff at Suckley School for the efforts they have made to provide the children with these experiential opportunities. Thanks also to the new PTA team for their efforts in running our Halloween Disco. It was a huge success for all involved.

We wish you all a happy half-term.

With kind regards,
Helen Field

Photos of The Week

To support the children's vocabulary and in order for them to keep abreast of current affairs, both locally and nationally, we have a "Let's Talk About It" assembly every Monday. Each week we have different pictures and questions to initiate conversations with, and between, the children. We would like to continue this 'talking' theme by asking you to discuss activities the children have done in school each week. Here are some photos to help prompt the conversations:

WOULD YOUR CHILD LIKE TO PLAY IN THEIR OWN ROCK BAND AT SCHOOL?

Hi Parent or Guardian,

Is your child more excited about music this evening?

Apologies, that might have something to do with **Rocksteady Music School!**

Today your child got a taste of what it's like to perform in a band, and this letter tells you how they can be part of the fun every week.

What is Rocksteady?

Rocksteady band lessons give children the chance to play in their very own band through weekly rock and pop lessons. It's the perfect way to **learn new musical skills, make friends and have fun** – all at school! Rocksteady lessons are also shown to boost **confidence, wellbeing, social skills** and even **academic achievement**.

Your child will learn to play songs instantly through listening and playing. There is no music theory involved and lessons are fun, inclusive and accessible. They will be making progress in every lesson and can also achieve an **Ofqual-regulated music qualification**, accredited by Trinity College London, without having to take a single exam!

Here's what else you need to know:

- Most lessons take place during the school day. There's **no experience necessary** and all instruments for lessons are provided.
- You can choose if they shine on **vocals, keyboard, drums, guitar or bass**.
- Proudly watch as your child performs in their **end of term concerts**, showing just how far they have come!
- Rocksteady band leaders are **professional musicians** who inspire a passion for music and support your child every step of the way.

Lessons are £44.68 per month with nothing to pay in August. There's a **money-back guarantee** for the first month and you can **cancel at any time**. Places are offered on a first come, first served basis.

Best wishes,

Rocksteady has created a space where young musicians can truly thrive. Not just musically, but personally as well.

Merlyn

It's a great experience for any child and I have been really blown away with what the children have achieved.

Natalia

My daughter comes home excited to tell me what she has learnt. She has a confidence in her own abilities that she didn't have before.

Ashleigh

My son is full of praise and joy when he talks about his Rocksteady lessons. It's spot on for teaching music and making it fun.

Alex

My child struggles with school due to anxiety, but Rocksteady really boosts his confidence at a difficult time. I wish he could do it more than once a week!

Louisa

My child has an amazing time and really enjoys making new friends whilst learning to play the keyboard.
