

FRIDAY 17TH OCTOBER 2025

SUCKLEY SCHOOL NEWSLETTER

'HAPPY, ASPIRATIONAL AND READY FOR LIFE'

This week at Suckley School

Happy Friday!

We have had such a busy week learning about all things relating to Harvest this week. Such crucial 'local understanding' and life skills, especially living where we do!

We started the week with our MAGGS assembly where we talked about the need to share our harvested food with those who do not have enough. A huge thank you for your donations, as you can see from the pictures, we needed reinforcements to help load it all into the car!

At forest school we looked at different leaves and the different produce the trees can produce. This was followed up in our after school STEM club where the children identified different leaf types.

Today has seen our week draw to a close with our 'Great Suckley Potato Bake-off'. Each class is busy planning, preparing and cooking the various potato creations as I type and if the smells creeping up to my office are anything to go by I am in for a treat during our Harvest Assembly this afternoon where the judging will be taking place! Watch this space for the results next week!

I hope you all have an enjoyable weekend- the coughs and colds are in full swing at the moment so wrap up warm and rest!

With kind regards,

Helen Field

Suckley School Vision

To celebrate the unique and individual needs of all of our pupils by delivering an inspiring, rich, inclusive, broad and balanced curriculum which enables children to achieve their full potential, without limits.

Photos of The Week

To support the children's vocabulary and in order for them to keep abreast of current affairs, both locally and nationally, we have a "Let's Talk About It" assembly every Monday. Each week we have different pictures and questions to initiate conversations with, and between, the children. We would like to continue this 'talking' theme by asking you to discuss activities the children have done in school each week. Here are some photos to help prompt the conversations:

Notice To Parents

As of Thursday 23rd October, we will be switching all of our communication over to Schoolgateway. Those who have older children will know this is how you give consent and pay for trips.

This should simplify communication from school, as you will only need the one app. By downloading the app, we are able to send communication for free! So please help the school to save money.

Simply load your app store on your phone and search for Schoolgateway. The logo is a horizontal number 8.

To log in, you will need to use the email address you have given to the school.

If there are any issues, please pop into the office with your phone, and we can help.

Download the **FREE** app to your phone

Creating an account is simple and will take no more than a couple of minutes:

1. Register

Register using the same email address and mobile number held by the school

2. Four digit PIN

School Gateway will send you a text with your PIN

3. Login

Login, you are ready to go
