'HAPPY, ASPIRATIONAL AND READY FOR LIFE'

This week at Suckley School

Happy Friday!

Such an exciting end to the week with Eagles class moving back into their classroom this morning! We are all delighted with the results so far. I would like to extend our thanks to you for your patience and understanding during the works. We're not quite ready to open the original gates due to the ramp still being built and the need to tarmac the entrance but the end is in sight!

KS2 took part in an assembly today led by the UK Parliament outreach team. They talked about how the UK Parliament works, The House of Commons and their local MP, how laws are made, the House of Lords, democracy and citizenship.

Wrens and KS1 have continued to wow us with their thirst for learning. I love visiting their classrooms, absorbing the buzz and seeing the foundations of learning being embedded.

I am delighted to inform you that following our AGM this week we have been successful in appointing a chair, secretary and treasurer for our Suckley Friends PTA. Thank you to those who have offered to support the school in fundraising and providing fun opportunities for the children. Without this parental support many of the extra-curricular activities we provide would not be possible. Huge thanks go to the committee who are stepping down this term after three years of tireless support, fun and fundraising for the children. Their contribution to the school community has been exceptional. Thank you.

Hopefully this beautiful sunshine will last throughout the weekend, I wish you all a happy, healthy and sun-shined filled weekend.

With kind regards,
Helen Field

Suckley School Vision

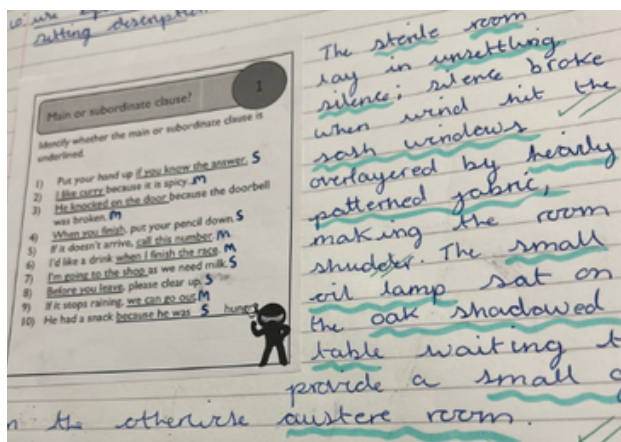

To celebrate the unique and individual needs of all of our pupils by delivering an inspiring, rich, inclusive, broad and balanced curriculum which enables children to achieve their full potential, without limits.

Photos of The Week

To support the children's vocabulary and in order for them to keep abreast of current affairs, both locally and nationally, we have a "Let's Talk About It" assembly every Monday. Each week we have different pictures and questions to initiate conversations with, and between, the children. We would like to continue this 'talking' theme by asking you to discuss activities the children have done in school each week. Here are some photos to help prompt the conversations:

LET'S TALK ABOUT IT!

Eagles Classroom

An extra thank you to the Eagles children (and staff!) this week for your understanding, patience and hard work whilst waiting for your classroom to be finished. There are still a few bits and pieces to finish inside but yesterday it was cleared for you to return! We will be having a more 'official opening' when all of the works have been completed after half term.
