

This week at Suckley School

Happy Friday!

Welcome to our new families joining us across the school this week and welcome back to many others! We are so proud of how the children have settled into their new classes. It has been delightful seeing them make new friends, experience their new classrooms and feel pride in the achievements they have already made in such a short amount of time!

For the first full week, we are completing a whole school project based upon the book, 'The Koala Who Could' by Rachel Bright and Jim Field. This charming rhyming children's book is about Kevin the koala, who loves to keep things the same but discovers that stepping out of his comfort zone to try new things can lead to joy and new adventures.

As you can see on the 'Let's Talk About it' section of our newsletter, the quality of the artwork already produced in Robins, Woodpeckers and Eagles is exceptional! I can't wait to see what next week brings!

As always, if you have any concerns or questions, please do not hesitate to get in touch.

With kind regards,
Helen Field

Suckley School Vision

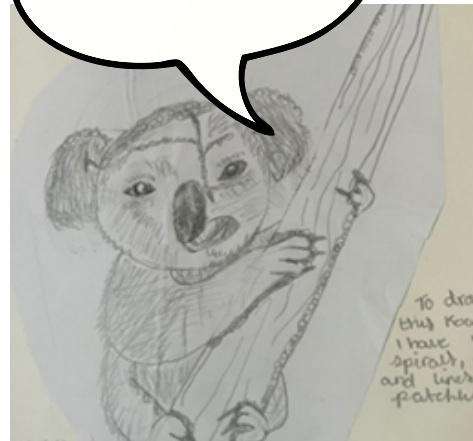

To celebrate the unique and individual needs of all of our pupils by delivering an inspiring, rich, inclusive, broad and balanced curriculum which enables children to achieve their full potential, without limits.

'Happy, Aspirational and Ready for Life'

Photos of The Week

To support the children's vocabulary and in order for them to keep abreast of current affairs, both locally and nationally, we have a "Let's Talk About It" assembly every Monday. Each week we have different pictures and questions to initiate conversations with, and between, the children. We would like to continue this 'talking' theme by asking you to discuss activities the children have done in school each week. Here are some photos to help prompt the conversations:

Notices For Parents/Carers

Nut Aware

We have children in school who are allergic to nuts. We know it is very hard to eliminate nut products completely but we do take steps to make our school 'Nut-Aware'.

While the majority of allergic reactions to nuts are mild, for some children, eating these foods (even in tiny amounts) may cause serious reactions, which can be life threatening.

How Parents and Carers can be Nut-Aware:

- To support us in keeping all of our children safe, we ask you all to ensure that children do not bring in snacks that may contain nuts
- This includes all nuts, Nutella, peanut paste and other foods containing nuts
- Inform school if your child is allergic to any other food that we are not aware of

Thank you so much for working with us to be a 'Nut-Aware' school. If you have any questions, please speak to a member of staff.

Allergy Aware School

Stay and Play

Stay and Play are now taking bookings for a Monday until 4.30pm. Please email if you are interested in a place on a Monday after school.

Clubs

Please keep an eye out for a club letter next week with information on how to sign up for our Autumn after-school clubs which will be starting the week beg: 15th September.

Parent Governor Vacancy

Please see the attached letter regarding a vacancy which has arisen for a parent governor on our school's governing body.

Bikes and Scooters

It is great to see so many children riding bikes and scooters to school. If you wish to store them in school during the day, please park them through the Wrens side gate against the railings with the sign.

Notices For Parents/Carers

Woodland School

Our first sessions of Woodland School will be on Wednesday 17th September for KS2 and Thursday 18th September for Reception & KS1.

Children need to attend school in long trousers and long-sleeved tops regardless of the weather. Children also need to bring a pair of labelled wellies and a set of waterproofs (if possible, some that can be left at school).
