This week at Suckley School

As we come to the end of another memorable week, I would like to extend my sincere thanks to our whole school community for their incredible support during the recent spell of extreme weather. The decisions we have made have always been with the safety and well-being of our pupils and staff at the forefront, and your understanding and cooperation have been greatly appreciated.

In particular, I would like to say a huge thank you to our staff team. They have continued to demonstrate outstanding dedication and resilience, working in temperatures exceeding 35°C while supporting a school full of understandably hot and tired children. Their calmness, positivity and commitment have been nothing short of amazing.

We are also very grateful to the parents who have kindly provided ice creams and ice lollies for both staff and pupils – these thoughtful gestures have been hugely appreciated and have certainly helped to lift spirits in the heat!

There has also been much to celebrate this week. Well done to Seb J and Dom, who proudly represented Suckley School at the STEM Challenge Final – a fantastic achievement. Similarly, congratulations to our KS2 pupils, who have excelled themselves during their two-week intensive swimming course. The progress and confidence they have shown have truly blown us away.

Looking ahead, we have a very busy and exciting week ahead. Pupils will be taking part in a range of enriching activities, including workshops from the church, sessions with Heartstart Malvern, the Chase athletics day, Year 6 work experience, sports day, and of course our much-anticipated Summer Fayre.

Thank you once again for your continued support – it truly makes a difference.

Enjoy the weekend,

With kind regards,

Helen Field

Suckley School Vision

To celebrate the unique and individual needs of all of our pupils by delivering an inspiring, rich, inclusive, broad and balanced curriculum which enables children to achieve their full potential, without limits.
